

CRCS Committee meeting

Minutes 26 November 2015

1 Lake Terrace, Frampton on Severn

Meeting opened at 1.30pm

Present:

Jon Parker, Terry Clarke, Gordon Bishop, Bob Maltby, Ian Halliday, Chris Edgar

Apologies:

Sid King

Matters Arising:

None

Agenda

1. Co-option of members to Committee

As noted at the AGM, the following members are co-opted: Gordon Bishop, Ian Halliday, Chris Edgar

2. Website

The CRCS site has now been updated to “Gold” status and will now be free of external adverts. The upgrade cost was £25 and the revised registration annual fee is £18.

It was noted that the link “Electric Flight for Dummies” was broken. Terry Clarke will investigate.

3. Motocalc

Chris Edgar has a copy of this software aid for estimating the power train (motor/ESC/battery/propeller) for electric-powered models. He promises no especial expertise in using the application but members are most welcome to contact him and he will be pleased to run some options.

4. Attracting new members

It was noted that membership has fallen from 105 a few years ago to 55 in 2015. The number of those “actively flying” is even less. The possibility of offering “Taster” sessions was discussed where people might experience the thrill, via a buddy box, of radio controlled flying without incurring the high start-up costs. The item will be discussed in more detail at the next committee meeting.

AOB

Chris Edgar volunteered to be hon. secretary to the committee.

There being no further business the meeting concluded at 3.20pm.
