

Cotswold Radio Control Society

Committee Meeting Minutes

29th May 2014

Present

Jon Parker, Graham Birt, Terry Clarke, Bob Maltby, David Hancock

Apologies: Doug Garland

Minutes

Minutes were read by the secretary and approved by a show of hands.

Matters Arising

Terry said that a meeting with Building Society had to be arranged. It was then agreed to open a new account and move all funds from the existing one . The old account will remain open be we will forget about it. Terry will open an account with The Coventry.

Task Week with the CGC

31st. May - 8th June. CGC would like it if we were involved somehow but it doesn't fit any of the clubs agenda.

Club Training Planes

In response to a query from Andrew Evans it was decided to find out who had possession of the club trainers. It was thought that Eric Brownbill and Gordon Bishop might have them. We will ask them if that is the case. We discussed the best way to manage the training planes and whether or not it was advantageous to provide TX's as well.

The chairman proposed that Terry Clarke become a club instructor. Seconded by Graham Birt. All in favour. Terry aquiesed .

Terry will ask Andrew Evans if he wants to be registered with the BMFA as a designated instructor.

Picnic Tables

Gordon Bishop has priced up the timber and says that it will cost £150 per table, including coach bolts. The tables will have 6' x 3' tops with attached benches. Graham Birt proposed £500 for three tables and Gordon to keep whatever is left. Terry seconded the motion. All in Favour.

Membership

The club now has 49 members including one junior member and a new non-flying member.

GCG Boundary

David Roberts hasn't yet given us the info on the exact boundary

Meeting Closed 9:05pm.
