

Committee Meeting Mon 28/08/2017

55 Shakespeare Road Dursley Glos

Present: - J Parker, S King, T Clarke, G Bishop, B Maltby.

Previous minutes read and agreed

Matters arising:-

BM-- update on solar panels, two more panels donated now total of 4 including wiring, connectors and controller. Club needs to purchase 110Amp leisure battery.

TC.-- Weed killer has been applied, most effective around cabin area but will require further application.

JP.-- Thanked Gordon Bishop for another outstanding woodwork job making and installing storage benches with seats over, inside the cabin. All signs, marquee, projector screen and other bits are now stored away tidily. The possible manufacture of a free standing table next to the gas stove was discussed for making tea and coffee with under storage for water. Gordon agreed to design something similar.

AGENDA ITEMS: -

TC. -- New storage unit needs assembling and installing outside the cabin for the proposed club lawnmower and petrol.

Committee agreed to look at purchasing a good used mower up to a value of £70:00. TC to follow up locally advertised mowers.

TC.--- Cotswold Gliding Club Corporate Fun Day Friday 8th Sept 2017

Terry had received a request from Mike Weston CGC asking for help to keep Corporate Day participants occupied. CRCS and Blokarters have been asked to provide some sort of activity, *we are going to have aircraft with buddy lead (Mario), flight simulator in the cabin, and Steve Holland will provide a display .*

SK-- Asked for an update on the Polish Flight Instructors preference to use our runway when wind changes. TC says he uses east runway to avoid crosswind winch launches more often than the previous full time instructor but it has only affected us approximately 3 times this year, when the wind strength has been suitable for model flying.

Members to be advised /reminded by email of where to park and fly at the end of the South runway.

MEMBERSHIP ENQUIRIES

TC.--Potential 3 members pending and one new junior confirmed.

BM-- Message from Tina Ponting ref Brian's Health, may be last day all family present.

Committee will send Condolences when applicable.

Update on Chris Ayliffe-- funeral held at Leighterton parish church, club attendees, Sid King, Terry Clarke, Andrew Evans and Gordon Bishop. The wake was at the Snooty Fox Tetbury

Chris's wife has asked for help disposing of his modelling equipment, contacts Sid and Terry, awaiting phone call.

SCALE DAY :-

Date set at Sunday 8th October 2017, reserve date Sunday 15th

NEXT COMMITTEE MEETING

Thursday 28th September 2017.
