2. Minutes

No minutes for the previous meeting were available.

3. Membership

The membership stood at 44.

John Breakwell and Kevin Parcell had joined.

4. Club Rules

There had been a recent incident in which a new member was found to be flying on his own, contrary to the club rules. A discussion took place on the best way of ensuring that members were aware of the rules. It was suggested that new members should sign to indicate that they understood the rules and would obey them. It was also suggested that there should be a reminder in The Broomstick.

5. Club Examiner

The Chairman told the meeting that he was hoping to take the examination to become a Club Examiner fairly soon. If he was successful, his status would have to be ratified each year. This was because, in the past, people had taken the title of Club Examiner for reasons of status, but had never done any work, and the BMFA only wanted active examiners on their list.

It was understood that the position of Chief Examiner was no longer needed, so Steve Holland would not be able to apply for this position.

6. Grass Cutting

The Gliding Club now have a tractor mower, and it was agreed that we should ask the Gliding Club if we could use it for the grass area between the runway and the hanger.

It was thought that it might be practical to keep a grass area sufficiently short and smooth to act as a grass runway.

7. CRCS Scale Event

A scale event was planned for late September/early October, when Steve Holland would be in the area. It was decided not to organise a BBQ

The Chairman closed the meeting at 8:45p.m..
