 - c. Coventry Building Society = £3376+ £ 5655.49 = Total £9031.49
- 4) Membership Update **FP**
 - a. Membership 2026 is now 59 with 3 current enquiries. [Including one from Mondini who will require training]
 - b. Comment made that CRCS is more expensive than many other local clubs primarily due to CGC fee.
- 5) Secretary **BW**
 - a. No current issues
- 6) Safety **RB**
 - a. No current issues
- 7) Drone testing at AD **PS**
 - a. None recently
 - b. **Paul S** and **Mario M** are on a WhatsApp group with CGC and Drone people have good contact and are kept informed
- 8) Model Gas Turbine Trials **SW**
 - a. Not an issue at present, SW is conferring on future options regarding rules etc.
- 9) Training **PS/SW**
 - a. Training must comply with BMFA recommendations.
 - b. A Buddy box system is available for beginners
 - c. There are 3 individuals currently in training
- 10) Events for this year **All**
 - a. Barbeque in May was a great success thanks to **FP** who is happy to continue in the role.
 - b. A Scale Day is a possibility
 - c. Although there is a very large tent stored in the Hut it is very unwieldy and difficult to erect. It was agreed to purchase a 3m x 6m gazebo [£151.99] to provide shelter from the elements **FP** will organise.
 - d. Vintage Day Cockle Barrow Farm, [a SAM event] suggested as an excellent day out, **PH** has details.
- 11) IT **FP**
 - a. It was agreed to continue with the monthly payment method.

12) AOB

- a. Flying Pylon Racing models for trim setup only was agreed.
Stated as a few short duration flights.
Tests will commence after 16th June.
- b. No member inputs to the Committee .
- c. Next Committee Meeting 13th Aug
